## NEW ZEALAND VISA MEDICAL

**Dear Client**

The whole medical, including X-rays should take about approximately 2-3 hours. NZ immigration is being performed as electronic upfront assessment with the e-Medical system. Medicals should be completed only up to 3 months before visa application.

### **PLEASE BRING:**

- **1 X RECENT COLOUR PASSPORT PHOTO** for each person being examined
- **PASSPORT** for each person being examined
- Spectacles (if used)
- Children's clinic card and vaccination records
- Specialist/Doctor reports for any relevant current chronic medical disorders

**COSTS:** (These costs may vary depending on the medical findings or further testing requirements)

- Medical examinations from age 15 and up: approximately R1820.00
- Medical examinations age 14 and under: approximately R1100.00
- Blood test: Approximately R1800 (Age 15 and up) and this is paid directly at the pathology department
- X-rays: Kindly contact 021 441 0800 for further details and requirements (for ages 11 and up), the cost are approximately R800.00 and this is paid directly at the x-ray department
- Female patients: If you are menstruating at the time of your exam, you may have to come back to have your urine retested. Last mammogram or breast ultrasound test report completed if you over 45 years of age

### **PAYMENT:**

The examination may be paid in cash or with a debit/credit card. We do not accept cheques or medical aid for these assessments.

### **ADDRESS:**

We are on the 12<sup>th</sup> floor of **NEW** Christiaan Barnard Memorial Hospital, Foreshore. Parking is available in the main hospital building.
